

**TRANSFORM
4EUROPE**

LOGO

■ ■ TRANSFORM
■ ■ 4EUROPE

LOGO

The Transform4Europe logo should be used in university communication wherever possible as an additional identifier, especially in communication addressing the international stakeholders, beyond communication directly related to the Transform4Europe tasks and topics.

Three variations of logo:

1. Official – used for presentations / online papers / official documents.

2. Modern – used for promotions / social media / targeting student audience.

3. Paper – used for black and white print

SYMBOL

Symbol consists of four squares which can be taken apart, rearranged, duplicated and used for other purposes.

SYMBOL

As an example – process of transformation

SYMBOL

For rounding squares apply 1/10th logic.

As an example for 100x100px square use 10px rounded corners.

SYMBOL

There is no strict rule to keep the pattern. Just the ratio of rounded corners.

COLORS

Tranform4Europe identity solutions should use following four colors.

NB! Color white is not #FFFFFF

Blue #254BA1 Primary

Green #71AF3A Primary

Black #000000 Secondary

White #FBFAF8 Secondary

COLORS

Do not mix primary colors with each other.

COLORS

You can add multiple secondary colors on primary colors

COLORS

... or multiple primary colors on secondary color

TYPOGRAPHY
