Portugal

University of Primorska
Slovenia

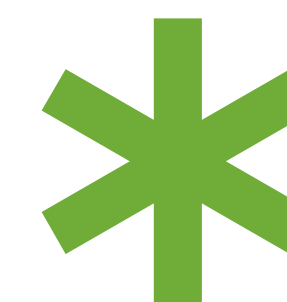

Jean Monnet University
France

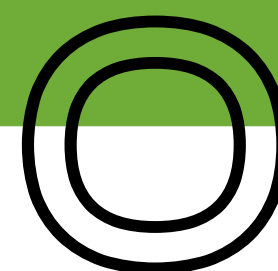

Mariupol State University
Ukraine (associated partner)

FOCUS AREAS

Digital
Transformation
and Smart Regions

Environmental
Transformation and
Sustainability

Societal
Transformation
and Inclusion

VISION

- T4EU aims at becoming one integrated European University based on shared European values, a diverse and inclusive alliance deeply rooted in the respective regional ecosystems, educating and training knowledge-entrepreneurs as drivers of transformation for the benefit of sustainable and resilient European societies.
- T4EU students, graduates and staff have been becoming knowledge-entrepreneurs and actively transforming Europe, paving the way for a sustainable future.
- As bridges between regions, the T4EU universities have been creating networked European knowledge and innovation ecosystems, driving excellence in research and largely contributing to the attractiveness and competitiveness of the EEA and Europe as a whole.

MISSION

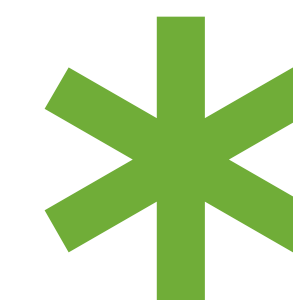

Transform4Europe Alliance contribute to shaping the European University of tomorrow.

GOALS

- Becoming one single **European university Alliance**
- Making **mobility** the norm
- Educating and training **future European knowledge-entrepreneurs** with a joint academic offering portfolio
- Becoming the main drivers of **regional transformation**
- **Qualifying** our academic and non-academic Staff
- Creating a **Transform4Europe multi-campus European University**
- Our **cultural heritages** – a basis for the European Way of Life
- Consolidating the **EEA**

PIONEERING NEW LEARNING OPPORTUNITIES ACROSS BOARDERS

- **T4EU BA, MA and PhD tracks** to foster the students' possibility to diversify their programs in all levels of their studies. Virtual and asynchronous courses are offered in English and other alliance languages.

- **Joint Masters and Doctoral programs** inside the alliance with the involvement of at least 2 partners.

- **T4EU Teaching qualification and T4EU Teaching Prize** helps to foster the highest level of pedagogical competences inside the alliance.

- **T4EU early-stage researchers' academy** creates training opportunities, support services and career guidance for the upskilling of early-stage researchers.

INNOVATIVE EUROPEAN INTER-UNIVERSITY CAMPUS

- **Transform4Europe Weeks and summer schools** strengthen ties within the alliance's community through online and onsite activities and offer activities for the local audiences through open lectures and presentations.
- **T4EU Green Campus** is an ambitious plan of the alliance to develop green identity and to implement good practices to reduce the carbon footprint, while fostering ecological responsibility in the alliance community.
- **Seed funding programme** provides financial support for students and staff for initiatives or projects involving a minimum of two institutions within the Alliance.
- **Best practice toolbox** is a pool of experiences in the areas of mobility, innovative teaching, open science, diversity enhancement, inclusiveness and multilingualism.
- **T4EU Buddy Programme** supports groups of visiting students.
- **T4EU Chair Programme** enhances teaching staff mobility inside the alliance and T4EU Visiting Professorship attracts visiting professors from outside the alliance.

A green icon consisting of two right-pointing chevrons, one slightly larger than the other, stacked vertically.

ENHANCED RESEARCH AND INNOVATION COOPERATION

- **CONNECT4RESEARCH** is a partnering and infrastructure-sharing tool that allows researchers to collaborate with other scholars, which is accompanied by the Matchmaking for Excellence initiatives.
- **T4EU Science4All activities** help to actively involve citizens and other non-university stakeholders in the research and study activities of the alliance.

➤➤ **IMPACT AT REGIONAL AND NATIONAL LEVEL**

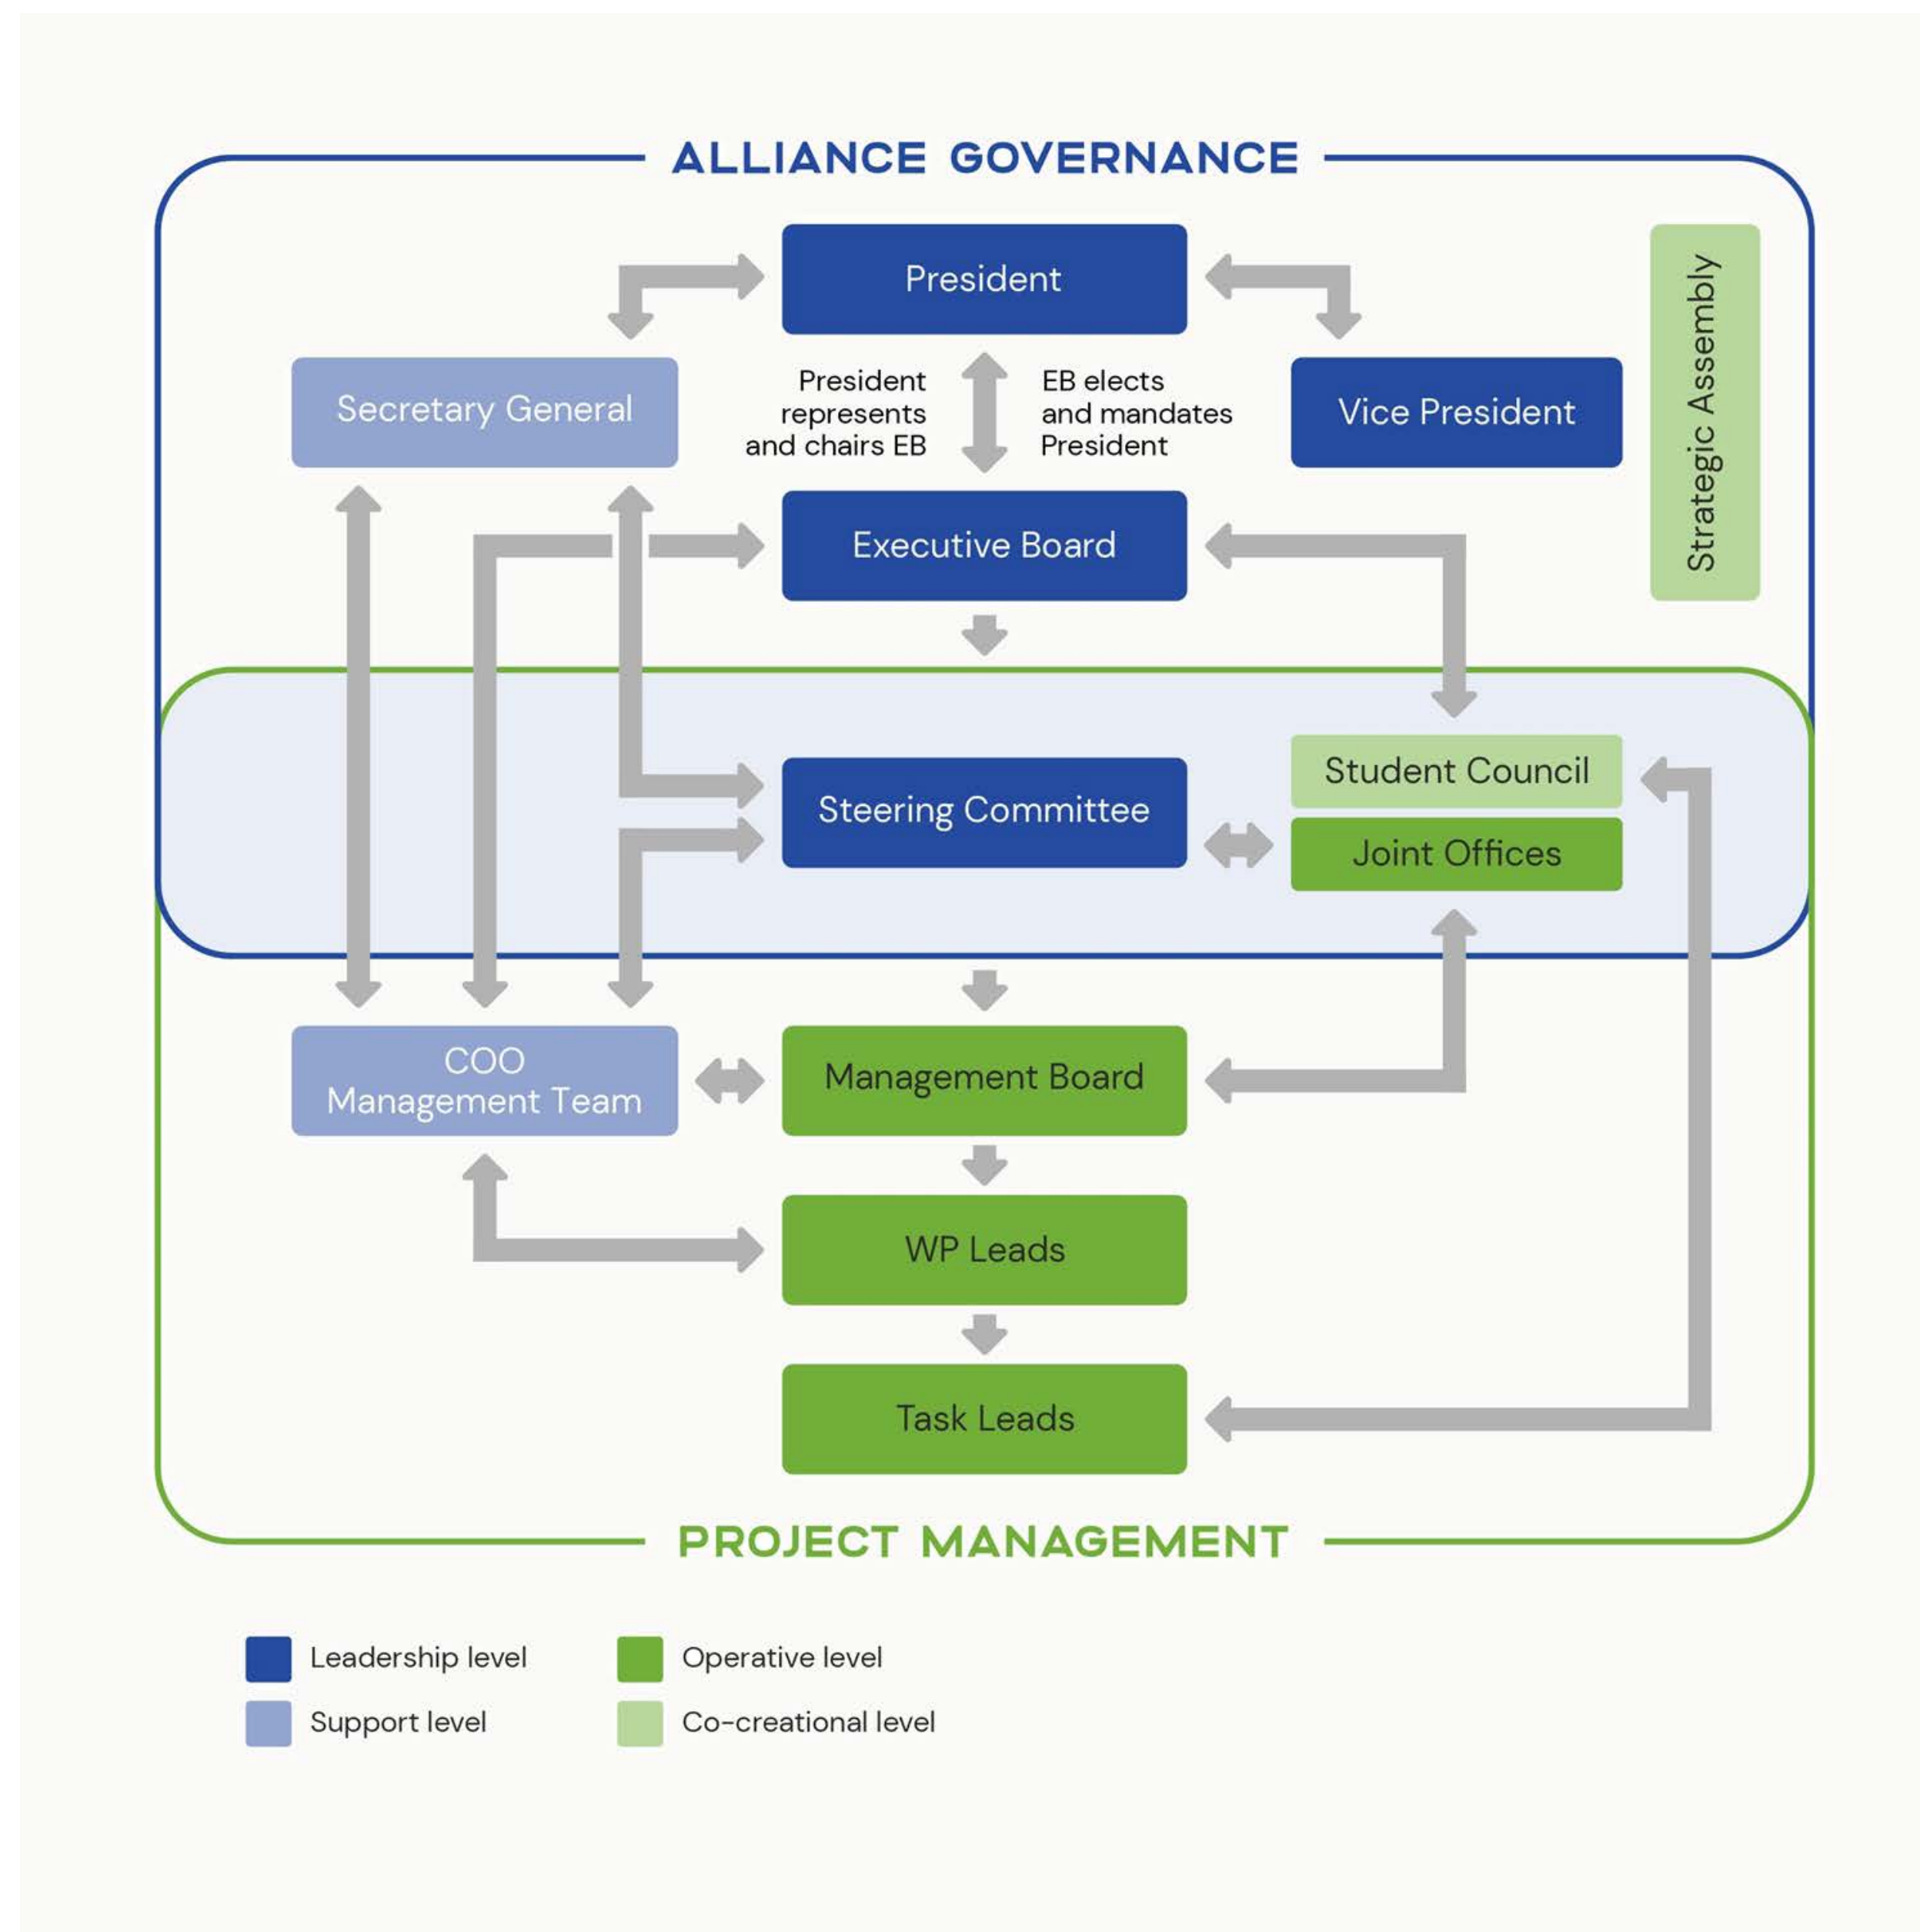

- **T4EU Transformation** labs enhance societal outreach and foster cooperation with the local communities.
- **T4EU GLAM+ Network** unites galleries, libraries, archives, museums and other cultural/heritage organisations, it is the basis for compiling T4EU Cultural Calendar.

T4EU PRESIDENCY

Based on the work-plan of the Transform4Europe alliance's proposal for the 2nd round of financing from the European Universities program, the rotating presidency has been implemented.

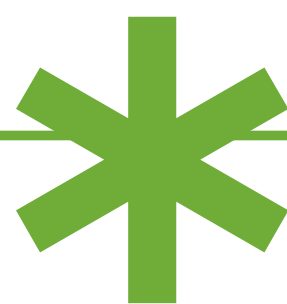

The role of the presidency is neutral and mediating; it should work to facilitate commitments and agreements between the partners and nurture discussions between different management structures of T4EU. The main goal of the presidency is to **foster the best work and decision-making** between all the partners.

CONSORTIUM MANAGEMENT STRUCTURE

MAIN PRIORITIES AND KEY TOPICS

- Broader educational offer

- Stronger scientific cooperation between partners/
networking

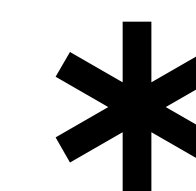

- Cooperation with the local communities and involvement of regional stakeholders
(influencing the regions)

T4EU EVENTS

- T4EU Policy Conference Strategic Assembly meetings
- T4EU Week
- T4EU Festival of European Culture
