Descriptions of social activities

Lithuanian language for breakfast - Learn essential Lithuanian phrases, explore unique sounds, and enjoy language puzzles in a relaxed setting.

Good Morning Workout - Pilates – Low-impact exercises to improve flexibility, posture, and balance.

Good Morning Workout – Functional - Breathing and gentle movement to boost energy, mobility, and coordination.

Culture Uncorked: Wine & Snacks Soirée - An evening designed to delight the senses, Culture Uncorked offers a refined blend of artistic expression and convivial atmosphere. Guests will be invited to immerse themselves in a rich palette of cultural attractions, from live music and exhibitions to captivating artistic performances, each leaving its own distinct impression. The programme is carefully curated to inspire dialogue, spark imagination, and foster memorable encounters. This stylish soirée will be a celebration of creativity, elegance, and the cultural spirit that unites us.

T4EU Inclusion Event – Workshop “University for All: Building LGBTQ+ Inclusion” - Interactive workshop on building inclusive university communities for LGBTQ+ students and staff.

Visit to Planetarium (Science Island) - 45-minute immersive 8K show on constellations, galaxies, and mythological stories guided by an astronomer.

Visit to VMU Botanical Garden - Explore 62.5 ha of gardens with 7,000+ plant species, historic greenhouses, and autumn landscapes.

Shaping Careers Through International Experiences – T4EU Alumni Session - Panel with alumni and PhD students on how study abroad and international cooperation shape careers.

Professional Development training: The Impact Entrepreneurship Workshop - Are you curious about how entrepreneurship can go beyond profit to create real change in society? Join us for a hands-on workshop that will challenge you to see entrepreneurship from a fresh perspective—one that looks above and beneath traditional financial indicators. Why participate?

You will leave with new insights, practical tools, and a fresh vision of entrepreneurship—not only as a career path, but as a way to make a difference.

Sports Activities – Zumba Party - High-energy neon-themed Zumba dance workout—fun, fitness, and music in the dark.
